Propellants Seminar

Mr. F. S. Magnusson, EFC

September 18, 1956

Secretary, EDIC Working Group on Propellants and Fuel Additives

Questions Submitted at 13-14 June 1956 Propellants Seminar

The questions you submitted at the close of the 14 June session of the 13-14 June Propellants Seminar were referred to the Solid Propellant Information Agency for reply. Attached are two copies of the comments, supplied by them. [REDACTED] states that these comments are not classified insofar as technical comment is concerned.
